Sir,

Subject - Re providing housing facilities to the Adikarnatakas residing in Arsikere Town

In enclosing herewith the correspondence ending wit the Arsikere Town Municipal President's letter No H 41/42 dated 8th January 1943 on the above subject, I have the honor to state that the selection of a suitable plot for the construction of a combined dispensary building in Arsikere town has necessitated the removal of the Adikarnataka keri from the present spot as the area is included in the proposed hospital compound

The Municipal Council have after consideration of the subject resolved at their meeting held on 27-12-42 to provide sites free of cost to them near Kengaladevaragudi and to contribute a sum of Rs2,500/- for the construction of houses to the poor members of the community, the expenditure being met out of the closing balance of the Municipality and they have further resolved to request a Government grant of an equal sum of Rs2,500/- as a special case since forty five houses have to be constructed for the Adikarnatakas so as to form a well formed colony on Sanitary principles

The construction of the combined Dispensary is taken up, and arrangements are being made for laying the foundation stone by His Highness the Maharaja of Mysore during his ensuing visit to this District The present locality in which the Adikarnataka are living is congested and unhealthy and it would be a very suitable commemoration of the visit if a model colony were built for them

In the above circumstances I request you to kindly obtain sanction of Government to the resolution of the Municipal Council as a special case and communicate the orders very early.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Nasser District.
